# Star rating

## What do the Star or Pennant ratings for caravan, touring and holiday parks mean for you?

Whether you're planning to take your own touring caravan or tent, or if you want to hire a caravan holiday home, look for the Star or Pennant rating before booking a Park. Throughout the UK, tourist board assessors have been visiting Parks on your behalf. The assessors inspect over 50 separate aspects of the Parks, from landscaping and layout to maintenance, customer care, and most importantly cleanliness.

### The message is in the Stars – National Quality Assurance Scheme, Visit Britain

Parks are required to meet progressively higher standards of quality as they move up the scale from one to five stars.

The grades are:

- ★★★★★ 'Exceptional' standard
- ★★★★★ 'Excellent' standard
- ★★★★ 'Very Good' standard
- ★★★ 'Good' standard
- ★ 'Acceptable' standard

For more information on Visit Britain grading visit [www.qualityintourism.com](http://www.qualityintourism.com)

**The Rose Award** highlights and promotes selected high quality holiday caravan parks that also provide a good proportion of first class caravan holiday homes for hire. This award

cannot be attained unless the establishment is already part of the accommodation scheme and attains a Four or Five Star rating.

**The Green Tourism Business Scheme (GTBS)** is the national sustainable tourism certification scheme for the UK.

### AA pennants scheme

The pennants indicate the standard of facilities and amenities available at the site:

One-Pennant parks offer a simple standard of facilities. There will be an adequate drinking water supply and reasonable drainage, plus a washroom with flush toilets (if there are no toilet facilities this should be clearly stated).

Two-Pennant parks offer a better level of facilities, services, customer care and ground maintenance.

Three-Pennant parks are of a very good standard with well-maintained facilities and grounds, and attention to customer care and security.

Four-Pennant parks have achieved an extremely high standard in all areas.

Five-Pennant Premier parks are of an extremely high standard, set in attractive surroundings with mature landscaping. Facilities, security and customer care are exceptional.
